- January 27, 2026 [TAC meeting notes](#)

Agenda

Welcome and overview

Jessie Olson (WRMP SC Chair; Save The Bay)

1) Approval of 12/18/25 Steering Committee Meeting Minutes

Jessie Olson

2) Program Updates

Sasha Harris-Lovett, SF Estuary Partnership and Melissa Foley, SFEI

Desired Outcomes: SC is informed about program updates.

- Staffing updates (Sasha)
- Piloting wetland workforce development (Sasha)
- Funding updates (Melissa)
- WRMP annual report approach and timeline (Melissa)
- RAE and Bay Delta Science Conference planning (Melissa)

3) Notes from the Field – WRMP Science in Action

Lisa Beers and Aviva Rossi, SFEI and Alexandra Thomsen, SF Estuary Partnership

Desired Outcomes: SC is informed about WRMP science activities.

4) Update on plans for data integration/cross-indicator analysis

Aviva Rossi and Lisa Beers, SFEI

Desired outcome: Staff provide update on recent cross-indicator analysis workgroup meeting.

BREAK

5) Activity - Wetland visitation indicator development

Alex Thomsen, SF Estuary Partnership

Desired outcomes: SC members provide examples of management actions that could be taken to manage wetland public access.

6) Approaches for disseminating results to restoration project implementers

Sasha Harris-Lovett, SF Estuary Partnership

Desired outcomes: SC members learn about how the WRMP is currently providing results to decision-makers, and members provide feedback to WRMP staff on additional ways to ensure monitoring results reach restoration project implementers.

7) Celebrate Donna Ball

Jessie Olson

8) Announcements

Jessie Olson

9) Adjourn
